# Founder's Foresight

*Dear all*

*It gives me a colossal of comfort in extending my cordial greetings to my team who are in a continuous strive to complement every growing year into an enriching, nurtured learning experience.*

*The never ending zeal and unflagging zest of Genesis family never lets me step back in any endeavor and my pursuit remains a constant reminder of rendering value based education in par with a set of skills adding on to their academic excellence.*

*A mammoth of feelings, to express a heartfelt gratitude to my beloved students, parents, teachers, well wishers and the entire supporting staff whose love and presence all these years made Genesis stand out with a unique identity, finishing its 18th glorious year successfully.*

*Regards*

*Mr. Jayapal Reddy*

*Founder - Chairman*

*Genesis Group of Schools*

## Our Guiding Philosophy

**Motto :** *Aspire to Achieve*

### **Vision:**

*To create an education system that inspires excellence in learning and promotes physical, intellectual, emotional and social well being of students with a focus on character building and value orientation.*

### **Mission:**

*We recognize that learning in the 21st century is a continuous building of skills and knowledge. Students need to "learn how to learn" to cope with rapid changes and challenges of the present and future. Hence, the students are encouraged to acquire and develop the " four pillars of learning" .*

- *To develop learning to know (knowledge & skills),*
- *To live (social skills & values),*
- *To do (vocational skills & competencies),*
- *To be (holistic development of mind, body & spirit)*

## ACADEMIC

### Holistic Learning @ Genesis

🎯 **Activity-Based** – Learning by doing, exploring, and engaging.

💡 **Concept-Based** – Focusing on “why” and “how,” not just “what.”

📖 **Subject Enrichment** – Beyond textbooks, linking knowledge with real life.

## EXCELLENCE

👉 **Experiential Learning** –  
Projects, experiments, and  
practice for lasting impact.

*This balanced model nurtures  
both knowledge and character,  
preparing students to face the  
challenges of tomorrow.*

## SPORTS

*At Genesis, we believe sports are as vital as academics in shaping a child's personality. Our sports curriculum is designed to build fitness, teamwork, discipline, and resilience while giving every student the opportunity.*

*Our playgrounds are arenas of learning where values like fair play, respect, and determination are practiced every day.*

## SPIRIT

We offer structured training and participation in a wide range of Sports, including:

-  Basketball
-  Table Tennis (TT)
-  Volleyball
-  Kho-Kho
-  Taekwondo
-  Throwball

Through professional coaching and regular tournaments, our students gain not only sporting skills but also values of perseverance, sportsmanship, and leadership.

## Creative Clusters

Our clubs provide a platform for students to explore, express, and excel beyond the classroom.

 **Literary Club** – reading, writing, debating, and public speaking.

 **Science Club** – experiments, innovation, and exploration.

 **Eco Club** – sustainability, gardening, and environmental care.

 **Art & Craft Club** – creativity through colors, designs, and crafts.

 **Cultural Club** – vocal and instrumental harmony with  rhythm, movement, and cultural expressions.

 **Theatre & Drama Club** – acting, role play, and stage confidence.

 **Sports & Games Club** – teamwork, discipline, and physical well-being.

 **Social Service Club** – outreach, empathy, and community service.

Together, these clubs form a vibrant Creative Cluster, igniting passions and nurturing well-rounded personalities.

On the occasion of the International Day Against Drug Abuse and Illicit Trafficking 2025, our students participated in a powerful awareness rally, holding banners with strong messages such as “Say No to Drugs – Yes to Life” and “Drug-Free Telangana Is Our Goal.” The rally was organized in association with the Telangana Anti-Narcotics Bureau, aiming to spread awareness about the dangers of drug abuse and to highlight the importance of living a healthy, and responsible life.

# Radiant Remembrances

*Genesis cherishes moments that shine brightly in our journey. Special days such as Inaugural Day, Coffee Day, Investiture Ceremony, Independence Day, Republic Day, Annual Awards Day and others are celebrated with pride and purpose.*

*Each occasion reflects our values, honours achievements, and strengthens the spirit of togetherness across our campuses.*

*Founder Chairman Mr. Jayapal Reddy Sir and Mrs. Rani Ma'am celebrating the School's Inaugural Day on June 6th and sharing their happiness with everyone.*

*The Student cabinet promises to be honest and sincere leaders during the oath taking moment on Investiture Ceremony.*

Coffee Day, enables new parents to understand the school's system of nurturing and supporting each child's growth and development. Our young Director Mr Avinash Reddy sharing his thoughts .

Mr. J.D. Lakshmi Narayana Sir along with our management members, was here to address teachers on responsibility and time management.

National festivals invoke patriotism and natural love towards the nation.

Annual Awards Day - a proud occasion that recognizes hard work, inspires peers, and motivates every child to strive for greater heights.

# Celebration Chronicles

*At Genesis, celebrations are milestones of joy, talent and teamwork.*

*Our Annual Day performances showcase creativity, cultural spirit, Science Fair sparks curiosity and innovation, while the Sports Meet ignites energy, discipline, sportsmanship.*

*Each event is a vibrant reflection of our students' all-round growth and enthusiasm.*

# Trail Tales

## State Art Gallery

*We at Genesis encourage our students to explore the world beyond the classroom walls. Field trips transport students into a world of hands-on learning, cultural enrichment, and environmental education. This is the perfect opportunity for students to discover, learn, and delve into a real-world setting.*

## Telangana State Police Academy

## Rashtrapati Nilayam

*Grade IX students had the wonderful opportunity to visit Singur Dam, a major reservoir built across the Manjira River, which supplies drinking water to Hyderabad and nearby areas.*

## Singur Dam

*Our Grade X students visited ICRISAT, Hyderabad. During the visit, they explored the laboratories under the guidance of senior scientists and professors, gaining insights into advanced experiments and research facilities.*

## National and International Trips

*Genesis offers exciting travel opportunities for students. We encourage them to embark on captivating journeys to both national and international destinations. We witnessed the rich cultural tapestry of Kerala, Rajasthan, and Delhi, and we also experienced the wonders of international adventures in Singapore and Malaysia.*

# Mini Marvels

The Pre-Primary Wing lays the foundation for joyful learning through a balanced blend of literacy and numeracy skills, along with co-curricular activities fostering curiosity and confidence from the very start.

cotton Cotton Dabbling

Celebrations of festivals and special days add vibrancy, and help little ones understand values, traditions, and togetherness.

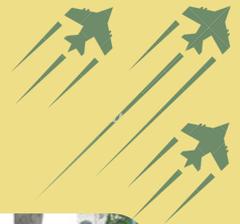

### Pre-Primary Graduation

At Genesis, every child's early steps are guided with care, making learning a fun-filled journey of discovery graduating towards primary wing.

# Nation's Nurturers

**MOTTO OF NCC :**  
*Unity and Discipline*

**VISION:**  
*Empower youth to become potential leaders and responsible citizens of the country.*

**MISSION:**  
*To develop leadership and character qualities, mould discipline and muster social integration and cohesion through multi- faced programmes conducted in a military environment.*

## Grade X - NCC Cadets at Camp

*Our Grade X NCC Cadets have attended a 10-Day combined Annual training camp under the stewardship of P. Geetha Joseph at Bison Training Ground in Secunderabad.*

*It was organized by 1(T) ARTY BTY NCC from 18th Aug to 27th Aug under CAMP COMMANDANT Col PP. Borax 1(T) R&V BN NCC.*

*Different training sessions were held for the cadets on Yoga, Physical training, Drill, Rifle training, Map reading and many more.*

# Parent Partnerships

PTM

## Parent-Teacher Meeting

Our PTMs serve as a meaningful platform for parents and teachers to connect, collaborate, and reflect on each child's progress. These interactions strengthen the home-school bond, ensuring every learner receives the right guidance and support.

During PTM days, the school hosts a variety of enriching activities, including health camps, food stalls, book fairs, student donation drives for orphanages, and cultural events.

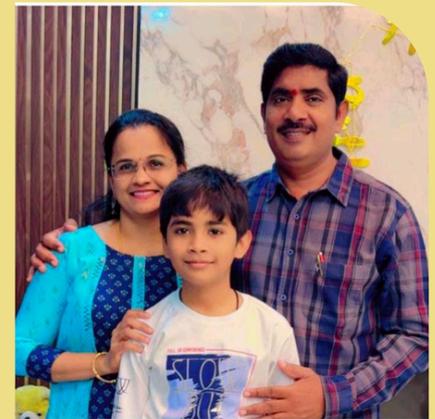

These initiatives are designed to instil a sense of social responsibility among our students.

## Parents' Reflection

We are truly grateful for the opportunities our child received this year. We have witnessed remarkable growth in academics, confidence, creativity, and overall personality. The school's nurturing environment, dedicated teachers, and engaging activities have made a significant impact. We appreciate the focus on holistic, value-based education and the personal attention given to each child. We look forward to continuing this enriching journey with the school and supporting our child's growth in every possible way.

**-Parents of N Prachetan Reddy, VII B**

**-Parents of Annliya Thomas  
VIC**

As a parent, it has been wonderful to watch my 11 year old grow and develop at this school. There has been a noticeable change in responsibility, confidence and most importantly curiosity. Along with academic learning, school has provided overall development in extra curricular activities as well. Even the simplest class assemblies are giving wonderful platform for learning teamwork, building friendships and exploring interests. We are always thankful to the staff and management at Genesis for the overall support. Finding a good institution that focuses mainly on our old rooted values at this testing times itself is a blessing. Hope the school management will continue the good work.

# Shining Successes

Pragyan Jyothi Bal got selected for Vidarthi Vignan Manthan , National Level Camp @ IIT Kanpur and won 1st place from South India and got selected for Nationals @ IIT Mumbai.

Urshita Bandi of 2020-21 batch has participated in the NASA International Space apps challenge and secured 4th place at the National level competition conducted at Chandigarh University, Punjab.

Proud to share she has been selected for the international level.

The Genesis Premium League Table Tennis Tournament on March 29th and 30th, 2025 was held at Polaris Campus, featuring exciting matches across different age categories—U9, U11, U13, and U15 for boys and girls.

Manognya secured first prize in a nationwide singing competition conducted collectively by Swara Mahathi Kala Parishath and Department of Language and Cultures, Govt. of Telangana.

K. Charan won gold in the 1000 m Roller Skating, Rink Race, and 1500 m Road Race at the 68th SGFI. He will proudly represent Telangana in the upcoming Nationals in New Delhi. Congratulations and best wishes!

## Glorious Goals of Genesians

Congratulations 2024-25 batch of Grade X .

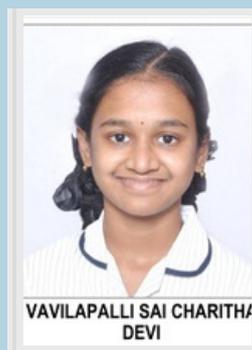

We are happy to share that Grade X students of Genesis have achieved success with 100% pass percentage .

# Alumni Archives

The success of any school can be measured by the contribution, the alumni make to our national life.

*Hello, I am Bhagawath Velvadapu.*

*An Alumni of Genesis International School. I passed out of GIS as a part of the 2020-21 batch. I am currently studying the first year of my BS-MS Degree course at IISER(Indian Institute of Science Education and Research) Pune. IISERs are one of the best Research Institutes India offers. I am pursuing a five year course in Physics. It has always been my interest to pursue Research in Physics and I'm glad that Genesis was a major part of that dream.*

*I, Soumya Mishra, am a student of Humanities at the University of Delhi. College can pose a multitude of challenges as you're maneuvering through early adult life. Thanks to Genesis, for prepping me well to deal with all such odds. The child-centric pedagogical approach is highly-conducive for the overall development of a student. The teachers are essentially the luminaries who not only help you to excel academically but also provide you with appropriate advice and moral support. The various co-curricular activities widen your creative horizons. In fact, it was one such event of Mock Parliament, in which I participated that made me realise I had a good hand at humanities, thus helping me to choose a career prospects in diplomacy. I consider myself fortunate enough to be an alumnae of such prestigious organization and witness its phenomenal growth from a uni-branch to multi-branched group. Kudos to Genesis for all to come!*

*Namaste! This is Siram Sankeerth, an alumni of Genesis International School.*

*I'm a corporate slave turned entrepreneur. My passion for education has enlightened me to pursue my career bettering the lives of students all over the world. Started from absolutely 0, grew to over 100 students and scaling up rapidly, it was a tough journey indeed but the sole understanding of building something for myself on my own rather than working under someone else outweighed the hardships. Mr. Jayapal Reddy sir has always been a role model for me and inspired me to work relentlessly to achieve whatever I aspire to be. Being an entrepreneur is like walking on ice while your head is on fire, no one believes in you until the day everyone does and Genesis has always been the cheerleader in my journey. Thankful for all the support.*

“Words may  
inspire but only  
action creates  
change.” –  
Simon Sinek

**THANK YOU**
