JULY EDITION

From the Principal's Desk
Dear Parents, Students, and Well-Wishers,
Warm greetings to you all

It is with great pleasure that I present this month's edition of the *Samudra School II Magazine*...a celebration of learning, growth, creativity, and the vibrant spirit of our school community! This edition captures the many memorable experiences that enriched our students throughout the month. From meaningful school assemblies, PG II examinations, and the Parent-Teacher Meetings celebrations of Kargil Vijay Diwas, Friendship Day, Blue Day, and Raising Day, every event offered valuable lessons beyond the classroom.

Our students also had the privilege of participating in an educational visit to the Telangana Police Academy, where they witnessed the importance of discipline, courage, and dedicated service to the nation. The HSPC Financial Awareness Camp, Grade II Social Science Activity and our regular IT Foundation, Dance, Karate, and Music classes further nurtured essential life skills, creativity, and holistic development.

I congratulate our GCA winners, whose hard work and perseverance were recognized through medals and certificates. My appreciation also goes to every young writer and contributor whose thoughtful articles, and reflections, along with the special feature 'Perspective Through Teachers' Eyes,' have added warmth, imagination, and inspiration to this edition.

As we proudly celebrate the 80th Independence Day of our beloved India, let us honor our heroes in gratitude to the brave freedom fighters whose extraordinary sacrifices secured our nation's freedom. Their courage reminds us that every generation has a responsibility to protect, preserve, and strengthen the values of our great nation. Let us honor their legacy by becoming responsible citizens...respecting our identity, protecting our environment, serving our communities, and striving for excellence in all that we do.

Wishing you and your family a joyful and proud 80th Independence Day!

Jai Hind!

With Warm Regards,
Mr. G. Nicholas Reddy

GRADE 7 ASSEMBLY ON **SAVE WATER SAVE LIFE**

Five steps to save

Water is essential for people, animals, and plants. We should never waste it because every drop is valuable. Close the tap after use, repair leaking pipes, and use only the water you need. Small actions can make a big difference. Let's save water today and grow a life for tomorrow.

MEETING

25-07-2026

Kargil Vijay Diwas is observed in India on July 26th every year to commemorate the country's victory over Pakistan in the Kargil War of 1999. This day honors the bravery and sacrifice of the Indian Armed Forces who fought valiantly in the challenging mountainous terrains of Kargil, located in the Indian state of Jammu and Kashmir. The conflict, which lasted for over two months, was initiated when Pakistani soldiers and militants infiltrated the Indian side of the Line of Control (LoC). The Indian military launched "Operation Vijay" to re-establish control over the high-altitude posts.

The successful culmination of this operation marked a significant moment in India's military history. On this day, numerous events and tributes are held across the country, including ceremonies at the Kargil War Memorial in Dras, to pay homage to the martyrs and celebrate the spirit of courage and resilience displayed by the soldiers.

Visit to the Telangana Police Academy

Our Grade 7, 8, and 9 students had an enriching visit to the RPRM Police Academy. They explored the Police Museum, learned about police equipment, including rifles, and gained valuable insights into the discipline, dedication, and responsibilities of the police force.

STATES AND THEIR CROPS

Grade 5

"States and their crops" refers to the different agricultural crops that are mainly grown in different states of a country based on their climate, soil, rainfall, and weather conditions.

HDFC Financial Awareness Camp – Empowering Young Minds

The HDFC Financial Awareness Camp is an educational session that introduces students to the basics of money management. Through fun and interactive activities, children learn the importance of saving, budgeting, responsible spending, and smart financial habits. The programme aims to build financial literacy from a young age, helping students become confident and responsible in making financial decisions in the future.
