5 SENSES

M

TASTE

I taste different flavours
sweet, sour, salty, bitter,
spicy and yummy!

TOUCH

I touch different textures
soft, hard, rough and smooth.

Through these fun and
interactive activities, our children
developed curiosity, observation and
a deeper connection with
their surroundings.

GRADE 9

Activity on CELL ORGANELLES

A hands-on activity on “3D Models of Cell Organelles” was conducted for the students of Grade IX as part of the Biology curriculum.

The activity aimed to enhance students’ understanding of the structure and functions of various cell organelles through creative and experiential learning.

KARATE

DISCIPLINE • FOCUS • STRENGTH • RESPECT

Karate builds more than just strength.
It builds confidence, discipline, and respect.

Every move we practice today
brings us closer to a better and stronger tomorrow.

Dance

- ❁ Dance is the hidden language of the soul.
- ❁ It expresses feelings without saying a word.
- ❁ Through dance, we celebrate culture, creativity and harmony.
- ❁ It builds confidence, discipline and keeps our body and mind active.
- ❁ Dance brings people together and spreads joy everywhere.
